TOKii

While the Japanese influence is unmistakable, our à la carte menu is inspired by international ingredients. Our dishes are designed to be shared at the centre of the table and combine elements of both East and West cuisine, for an experience rich in flavours and textures.

Our menus are carefully curated by a master from Japan, with the emphasis placed on delivering the true essence of sushi creation.

TOKii brings a distinctive and genuine offer in the dining and drinking scene of the affluent area of Marylebone and its surroundings.
